The *Secretary*, Prof. Martinus C. de Boer, announced that 237 participants had registered for the General Meeting, of which some 126 were members.

Delegates were informed of two changes to the programme:

The scheduled short paper by Dr Jean-Claude Loba-Mkole had been cancelled, due to his being unable to obtain a visa to travel to the USA; Seminar 8, Prof. Christopher Manus was also unable to attend, due to a car accident – a paper will be delivered in his stead by Prof. Emmanuel Chinwokwu; Seminar 12, Bishop E. Baasland was also unable to attend, in the light of his pastoral responsibilities following the recent tragedy in Oslo – a paper will be delivered in his stead by Prof. Jan van der Watt.

The *Secretary* announced that those convenors seeking to extend their seminars beyond their scheduled termination at the close of the 2011 General Meeting, and any wishing to propose a new seminar, should submit their proposals to the *Secretary* before Friday.

BM2011/06 Nomination of New Members

The *Assistant Secretary*, Dr Andrew Clarke, reported that the Committee had approved 25 nominations of new members for consideration. This list of names would be displayed on the Conference notice board, and members were asked to pass any comments on these nominations to the *Assistant Secretary* or other Committee members before the Second Committee meeting.

BM2011/07 Nomination and Election of Officers

Members formally elected Prof. Henk Jan de Jonge (Netherlands) to the post of *President-Elect* of the Society (to become *President* at the 2012 General Meeting in Leuven, Belgium).

The Committee intimated, and the Society approved, the nomination of Prof. Christopher Tuckett to the post of *Deputy President-Elect*, with a view to taking up office as *President* at the 2013 General Meeting in Perth, Australia.

The *President* noted that the first term of Prof. Bernard Lategan as *Assistant Secretary for International Initiatives* will expire on 31st December 2011. The Committee recommended that he be appointed to serve a further two years. Members approved the appointment for this period, until 31st December 2013.

BM2011/08 International Initiatives

The *Assistant Secretary for International Initiatives*, Prof. Bernard Lategan, had circulated a concise report covering the year to June 2011.

Two main issues were elaborated:

1. *The work of the existing committees*

Details of the work of the Eastern European Liaison Committee, the African Liaison Committee, the Asian/Pacific Liaison Committee, and scholars representing the Latin American region were presented.

a. Eastern European Liaison Committee (EELC)

- The fifth East-West symposium on 'Gospel Images of Jesus Christ in Church Tradition and in Biblical Scholarship' took place as planned from 2nd – 9th September 2010.
- Special efforts will be made to establish contacts in countries where the EELC until now has had few or no relationships – like Slovenia, Croatia, Ukraine, Poland and Lithuania. The focus should be (besides Russian Orthodox) also on Roman Catholic and Protestant colleagues. Members of the EELC will also try to establish contacts in Slovakia, Bosnia-Herzegovina, Monte Negro, Georgia and Armenia.
- The EELC is exploring various funding initiatives as part of its 5-year funding plan (2011-15). These include several possibilities in the USA as well as Erasmus agreements in Europe to help fund attendance at East-West symposia.
- The EELC was able to acquire a number of books at a very good rate at the 2010 Berlin General Meeting from Brill and De Gruyter. These books were sent directly to the library at St Petersburg. Twenty scholars from Eastern Europe now also have access to the SNTS Electronic Library.
- Plans are well under way for the next East-West symposium in Belgrade in August 2013.

b. African Liaison Committee (ALC)

- The Institute of Scripture Studies is now well established and serves as the platform for the activities of the African Liaison Committee. Two meetings were held during the year. The first took place on 2nd October 2010 at Hekima College, Jesuit School of Theology in Nairobi. The focus was on aspects of peace in biblical texts. The second meeting was held on 28th May 2011 at the Catholic University of Eastern Africa in Nairobi.
- The ALC proposed a number of scholars for the Electronic Library. To-date 38 colleagues had been appointed as research fellows of SUNTRA which gives them access to the EL.

c. Asian/Pacific Liaison Committee (APLC)

The APLC had its inaugural meeting at the 2010 General Meeting in Berlin. The meeting was chaired by David Sim and was attended by all members of the Committee (Jey Kanagaraj, Eric Wong, Bill Loader, Paul Trebilco and Jamie McLaren) as well as the *Assistant Secretary for International Initiatives*. The Committee discussed a number of issues.

- It was decided to keep the Committee's membership flexible. It would comprise the 'core members' mentioned above but could second other Society members as the need arises. The 'core members' will serve a term of five years (2010-2014).
- Prior to the 2011 General Meeting, the Chair emailed all Society members in the region to alert them to the aims and goals of the Committee, to ask if they had any strategies to assist the work of the Committee, and to invite expressions of interest from those who may wish to work in or alongside the Committee.
- The 2013 General Meeting in Perth, Australia affords a unique opportunity to bring together the Society and scholars from the Asian/Pacific region. It was decided to hold a short conference immediately prior to the 2013 General Meeting and to invite regional scholars to attend.

d. Latin America

The first meeting of Latin American scholars took place on 1st August 2011 at Bard College. A number of scholars from various countries were invited, and the response was very positive with 15 participants attending. The meeting took the form of a pre-conference symposium, and the focus was on the state of biblical studies in the various countries of Latin America. It is hoped that a Liaison Committee will be established for the region.

2. *SNTS Electronic Library (EL)*

Prof. Lategan presented details about the progress of the project to establish an electronic library resource.

- The first phase of the establishment of the EL is now completed. Currently 58 scholars (20 from Eastern Europe and 38 from Africa) have access to the Library. New users will be added as they are proposed by Society members and approved by the EL management.
- The architecture of the EL makes provision for considerable expansion. At present it is a basic portal, which provides access to the online resources of the Stellenbosch University library, but with links to other online repositories. Members are urged to make additional sources available to the EL and to contact the EL management in order to add these links to the portal. The portal also has a blog facility where users can exchange views and information, publish work in progress, and ask for comments and advice. The long-term goal is to develop a virtual community of scholars. For researchers working in relative isolation and at great distances from main centres, this is of particular importance.
- In order to expand the EL further, the management strives for optimal co-operation with existing publishers in the field of biblical studies. It is hoped that these publishers will make online journals and books available to the EL either without cost or at reduced rates.
- The envisaged second phase of the EL includes the development of a dedicated website, the expansion of the blog facilities and the services of a qualified webmaster to maintain the site. This will only be possible if the necessary funding can be secured.
- So far it has been possible to keep costs to a minimum. Stellenbosch University covered the cost of the development of the first phase of the portal. The IT costs to make the portal fully functional will be around € 250. Access to the EL is free of charge except for a basic Internet fee of € 16 per user per annum (€ 928 for the current 58 users).

The *Assistant Secretary for International Initiatives* was thanked for his contributions.

BM2011/09 Treasurer's Report

The *Treasurer*, Dr Helen Bond, had circulated the draft financial statements of the Society Accounts for the year ended 31st May 2011, together with a commentary. It was noted that the 'Financial Statement' was prepared by an Independent examiner (Prof. Jeff McLachlan) and is filed on the Society website in Excel format as 'SNTSAccounts2011'. From this report, the *Treasurer* drew attention to the following:

1. *The General Fund*

- Society Subscriptions for 2010/11 are £11,658. This year's income is slightly above average and probably reflects the committee's decision last year to raise the Sterling subscriptions slightly (bringing them into line with the Euro and the US Dollar).
- Low interest rates have resulted in income from Investments and Interest continuing to be poor — £121 (for comparison, investments earned £1,907 in 2007/08).
- The 2010 General Meeting in Berlin made a surplus of around £2,000 but the money came in too late to be included in the 2010/11 accounts. This will be divided equally between the two funds.

2. *The International Fund*

- Income is down on 2009/10 (£6,466 compared with £8,825 in 2009/10).
- The grant payment figures represent payments to a dozen or so members from 'developing' countries.

3. *The Library Fund*

- The European Library fund had £1,313 at the end of 2009/10 and this was made available to Prof. Dunn who holds the Library's Sterling account. The fund receives very little in the way of donations now.

4. *Overview of Finances*

- The IF balance is in healthy credit (currently £41,991), although the fund is gradually depleting as the Society sponsors members to attend General Meetings (in 2004 the fund was at £62,904). The GF is also looking healthy (currently £29,104). Both funds will be stretched in 2011/12 with the 2011 General Meeting in the US, and the 2013 General Meeting in Australia.
- It was suggested that there is no necessity to raise subscription levels this year, particularly since Sterling was brought into line with other currencies last year. The *Treasurer* expressed some concern, however, over lack of payment by members, particularly those who fall within the top tier (virtually all of the money for the IF comes from this group).

For its part, the General Meeting of the Society approved the financial statements for the year ended 31st May 2011.

The *Treasurer* thanked the regional treasurers and local organisers for their help. The *Treasurer* was thanked for her contributions.

BM2011/10 Any Other Business

There were two items of further business:

1. Members had been alerted in the *Secretary's* Newsletter to a proposed change to Article D2 of the Constitution regarding the nomination of new members. One additional, minor change had been proposed, resulting in the following text:

'In considering nominations for membership, the Committee shall look for evidence of a high standard of scholarship across more than one major topic or specialism related to the New Testament. A doctoral research degree in New Testament or closely related studies will normally be expected, but in addition evidence will be sought of multiple publications in well-regarded academic media that make a distinct contribution to knowledge in the discipline. The Committee will define from time to time the specific requirements for such publications.'

The meeting accepted this change to the Constitution.

2. Prof. Benyik made a brief presentation to the Meeting, extending an invitation that the 69th General Meeting in 2014 be held at Szeged University in Hungary, working in collaboration with the Gal Ferenc Theological College and the Bishop of Szeged. It was

announced that the Committee would be pleased to receive comments from members in regard to this invitation before it meets on Friday.

There was no further business, and the First Business Meeting was then concluded.

18.30 Participants were warmly welcomed by Prof. Leon Botstein, the President of Bard College. A Reception was held in the Fischer Center Atrium, sponsored by Baylor University Press and Institut Ramon Llull.

19.30 A photograph of Conference participants was taken outside the Fischer Center at the 'Parliament of Reality' installation.

BM2011/12 Editors' Reports

Copies of the *Editors'* reports had been distributed to participants. In the absence of Dr Court (*General Editor of Monograph Series*), Prof. John Barclay (*Secretary to the Editorial Board and Journal Editor*) spoke regarding both the Journal and Monograph Series.

1. *New Testament Studies*

a. Supply and Quality of Articles

It was reported that 114 articles had been submitted to the Journal over the past year. 26 were accepted for publication. These figures were considered an index of the very high quality threshold. The queue for publication remains quite short (6-9 months).

b. Subscription Rates

The rates for Volume 58 (2012) are as follows (2011 prices in brackets):

Institutions (print & on-line)	£160/\$289 [£145/\$266]
Institutions (on-line only)	£146/\$260 [£132/\$239]
Institutions (print only)	£149/\$266 [£136/\$244]
ABTAPL	£100 [£95]
Individuals	£46/\$76 (same since 2003)
SNTS Full Members:	Full £42/\$68 (same since 2009)
SNTS Retired Members:	Retired £22/\$40 (same since 2009)
Students:	£20/\$36 (same since 2007)

c. Details of Circulation and Usage

Overall, subscriptions had been holding well in the very difficult economic climate. In 2010 the total institutional circulation was 2,379. Although this was 166 units down on 2009, the main losses were only 2.4% of traditional subscriptions, when most other journals have been experiencing attrition rates of 5-10% in institutional subscriptions.

2. *Monograph Series*

In the absence of Dr Court, Prof. Barclay briefly highlighted some issues raised in the circulated report on the Monograph Series.

a. New Publications

One monograph had been published since the report presented at the 2010 General Meeting in Berlin:

148 Forman: *The Politics of Inheritance in Romans* (April 2011)

The following works are currently in production:

149 Williams: *The Doctrine of Salvation in the First Letter of Peter* (stock due August 2011)

150 Hägerland: *Jesus and the Forgiveness of Sins* (stock due November 2011)
