BM2012/06 Nomination and Election of Officers

Members formally elected Prof. Christopher Tuckett (UK) to the post of *President* at the 2013 General Meeting in Perth, Australia (until which time he assumes the office of *President-Elect*).

The Committee intimated the nomination of Prof. Udo Schnelle (Germany) to the post of *President* at the 2014 General Meeting in Szeged, Hungary. As nominee, he becomes *Deputy President-Elect* until the Perth 2013 General Meeting, when his nomination will be voted on by the Society.

Prof. Adela Yarbro Collins (*Past President*) was thanked for her services to the Society over the past 4 years.

BM2012/07 Nomination of New Members

The *Assistant Secretary*, Dr Andrew Clarke, reported that the Committee had approved 17 nominations of new members for consideration. This list of names would be displayed on the Conference notice board, and members were asked to pass any comments on these nominations to the *Assistant Secretary* or other Committee members before the Second Committee meeting.

BM2012/08 International Initiatives

The *Assistant Secretary for International Initiatives*, Prof. Bernard Lategan, had circulated a concise report covering the year to June 2012.

Two main issues were elaborated:

1. *The work of the Liaison Committees*

Details of the work of the Eastern European Liaison Committee, the African Liaison Committee, the Asian/Pacific Liaison Committee, and the Latin America Liaison Committee region were presented.

a. Eastern European Liaison Committee (EELC)

- The library in Sofia is used by visitors from all the major Christian denominations. It is hoped that the Allegro electronic catalogue will shortly be available online. Negotiations regarding the renewal of the agreement between the Society and the University of Sofia were signed at the Leuven 2012 General Meeting.
- New premises have been found for the library in St Petersburg. The status of the library (as part of the Philological Faculty, but under the authority of the director of Bibliotheca Biblica, elected by the EELC) will remain secure.
- A pre-conference meeting took place at Leuven on Tuesday 31st July. Following an invitation from Bishop Irinej Bulovic, the next large symposium is scheduled for August 2013 in Belgrade on the topic: 'The Holy Spirit and the Church according to the New Testament'.
- The conference volume of the Minsk symposium is now published: *Gospel Images of Jesus Christ in Church Tradition and in Biblical Scholarship, Fifth International East-West Symposium of New Testament Scholars, Minsk, September 2-9, 2010*, Christos Karakolis, Karl-Wilhelm Niebuhr, Sviatoslav Rogalsky (eds) (WUNT 288; Tübingen: Mohr, 2012).
- It was noted that the EELC has two main needs: the buying of books to expand the libraries at Sofia and St Petersburg on an ongoing basis and funding for conferences and symposia. The Society assures support for the attendance of at least three members of general meetings, but the EELC has to raise the funds for any additional activities. It was noted that the EKD has indicated that it will not continue its funding of Symposia in the future.

b. African Liaison Committee (ALC)

- The Nairobi group of the Institute of Scripture Studies remains the basis for the activities of the ALC. The group held its VIIth annual meeting in September 2011 at the Kenyatta University in Nairobi.

- Dr Maurice Owinyo was elected as the new *Secretary* and the meeting requested Dr Jean-Claude Loba-Mkole to continue leading the Institute for another term.
- The Nairobi Group and all other members of the ISS were invited to participate in the VIIIth ISS Meeting as part of the 1st Annual International Interdisciplinary Meeting during 27-30 June 2012 at the Catholic University of Eastern Africa, Nairobi, Kenya.

c. Asian/Pacific Liaison Committee (APLC)

The APLC concentrated its efforts on preparing for the General Meeting in Perth, 2013, and in organizing a pre-conference for a group of non-members from the region. The Committee faces exceptional challenges, due both to the large number of countries it has to cover and the vast distances of the region. The APLC has assembled a substantial list of potential candidates that can be considered for Perth that includes names from Hong Kong, Malaysia, India, Singapore, Taiwan, Nepal, Samoa and the Philippines. This promises to be a historic event that hopefully will provide the basis for further initiatives in the region. The APLC itself has also raised some additional funds and is continuing its efforts to increase this.

d. Latin America Liaison Committee (LALC)

The LALC has concentrated on two priorities: first, to gather as much information as possible on scholars, theological institutions and regular publications in the field of New Testament studies in the Latin American subcontinent, as a basis for promoting communication among New Testament scholars in the region. Secondly, to organize a first meeting which took place in Bogotá, Colombia, 10–13 July 2012, with 'Paul: Theology, Mission, Reception History' as the main theme.

2. *SNTS Electronic Library (EL)*

The EL is functioning well and the feedback from users is generally positive. The portal now provides a blog that enables users to put questions to fellow-users, to post draft papers, invite comments and suggestions, and to share new information. This blog also provides a list of links to other electronic sources or sites of interest. The hope is that through the use of these services, users of the EL will gradually develop into a 'community of scholars'. For the further expansion of the EL (both in terms of sources and of services) the involvement of a dedicated webmaster remains crucial.

The Chairs of the four Liaison Groups were thanked for their extensive work in supporting these groups. The *Assistant Secretary for International Initiatives* was especially thanked for his contributions.

BM2012/09 *Treasurer's Report*

The *Treasurer*, Dr Helen Bond, had circulated the draft financial statements of the Society Accounts for the year ended 31st May 2012, together with a commentary. It was noted that the 'Financial Statements' were prepared by an Independent examiner (E. Marsh of Burton Sweet Chartered Accountants, Bristol) and is filed on the Society website as 'SNTSAccounts2012'. From this report, the *Treasurer* drew attention to the following:

1. *The General Fund*

- Society Subscriptions for 2011/12 were £11,325 (cf. £11,658 in 2010/11).
- Income from Investments and Interest was as low as £1.
- The Berlin 2010 General Meeting made an overall surplus of around £4,000 (distributed across both the GF and IF). The Annandale-on-Hudson General Meeting made a \$10,000 surplus, which will be received in the 2012/13 accounts.
- There were higher than usual combined Conference Expenses, Fares, and Accommodation costs for the General Meeting in the USA, amounting to £4,953 (cf. £3,054 in 2010/11).

2. *The International Fund*

- Income is largely comprised of subscriptions (the top tier subscription is divided between the GF and IF, 60:40; all the money from the two lower tiers goes into the GF).
- 'Conference sponsorships/grants' represents payments to about twelve members/guests from 'developing' countries.

3. *Overview of Finances*

- The IF balance is in credit (currently c. £30,000), although the fund continues to deplete gradually as the Society sponsors members/guests to attend General Meetings. Surpluses from General Meetings help to keep the accounts buoyant.
- In view of the healthy state of the Society's finances, there seems no necessity to raise subscription levels this year. There continues to be some concern over lack of payment by members, particularly those who fall within the top tier. It was noted that *Regional Treasurers* do their best to encourage members to pay, but they are not remunerated for their work and it is not reasonable to expect them to spend extensive time chasing up non-payers.

For its part, the General Meeting of the Society approved the financial statements for the year ended 31st May 2012.

The *Treasurer* reported the Committee's earlier decision that members who have reached their 85th birthday will become honorary Life members of the Society.

The *Treasurer* thanked the *Regional Treasurers* and local organisers for their help. The *Treasurer* was thanked for her work.

BM2012/10 Any Other Business

There were two items of further business:

1. *Change in wording of Article D.1.* Members were reminded that at the 2011 General Meeting, Article D.2 of the Constitution was changed to read:

In considering nominations for membership, the Committee shall look for evidence of a high standard of scholarship across more than one major topic or specialism related to the New Testament. A doctoral research degree in New Testament or closely related studies will normally be expected, but in addition evidence will be sought of multiple publications in well-regarded academic media that make a distinct contribution to knowledge in the discipline. The Committee will define from time to time the specific requirements for such publications.

It was noted that this change to Article D.2 requires a minor alteration to the wording of Article D.1 of the Constitution, as follows:

~~An application~~ A nomination for membership must be ~~supported by the written nominations of~~ made in writing by two members of the Society and submitted in the first place to the Committee. If the Committee approves the ~~application~~ nomination, the name shall be posted at the beginning of the next General Meeting of the Society together with the names of the proposer and seconder. Any objections to the nomination shall be made known to the Committee during the course of the said General Meeting and before the last Business Meeting held that year. It shall be in the power of the Committee to decide whether objections are serious enough to warrant withdrawal of the nomination. If no sufficiently serious objections are received, the General Meeting shall be informed at the last Business Meeting that the nomination has been approved.

The meeting accepted this change to the Constitution.

2. The *President* announced that invitations had been received for General Meetings in Amsterdam (2015) and Montreal (2016).

There was no further business, and the First Business Meeting was then concluded.

20.30 Participants were warmly welcomed by Prof. Lieven Boeve, Dean of the Faculty of Theology and Religious Studies, KU Leuven, to a Reception held in Alma 2

3. *Seminars*

The *Secretary* drew attention to the following:

- The term of five seminars expired in Leuven, of which two had applied for continuation:
 - 'The Johannine Writings' (M.M. Thompson, R. Zimmermann) – it was noted that the Committee had approved the request to continue this Seminar for a further 3 years, with M. Gruber and C. Karakolis as convenors, following the theme: 'History – Story – Discourse'

 - 'The Acts of the Apostles and Ancient Historiography' (K. Backhaus, J. Schröter, G. Sterling)
